MEMORANDUM:

Mr. Hume,

Application for patent
for the N.E. ¼ of 25-5-11, W. 4th M.
Pre-emption of the late George Morgan,
Not recommended.

Mr. Owen J. Kane, administrator of the estate, made application for patent on the 6th instant, claiming thirty acres broken on the homestead since 1917 when application for homestead patent was made, claiming a total of 95 acres cultivated.

He claims 65 acres cropped, ten head of stock, other improvements, house on the homestead, value $200.00, stable $200.00, one mile fencing.

Homestead Inspector Wilcox reported on the 6th of January, last, and stated that there was an area of 65 acres fit for cultivation.

In his general remarks he stated:

"Owing to the very rough and gravely nature of the balance of the land it is of much more value for grazing than agricultural purposes. They should be allowed to substitute stock for the balance of the fifteen acres required. The stock clause of the regulations have been complied with as the land was all enclosed with a good fence and stabling accommodation for the required number of stock. Am handing you application for patent for the above land."

The Inspector corroborated the applicant's statements in regard to cultivation and also the number of stock. In regard to the fencing the Inspector credited the homesteader with one mile $65.00; ½ a mile of fencing was stolen in fall of 1920, 1 mile fencing owned by his neighbours.

I would point out that in his application for patent for his homestead, which was made on the 30th of August, 1917, the late homesteader claimed 55 acres of breaking on the homestead and 55 acres cropped in 1917. The Inspector does not state what area can be cultivated on the homestead.

Please say if the Homestead Inspector should be called upon to furnish a report as to whether the required eighty acres can be cultivated on the homestead, the North East ¼ of Section 25, Township 5, Range 11, West of the 4th Meridian.

E.E.T.

Kindly instruct the Inspector to report as to the area broken up to 1917 and also the Inspector should report as to the full area that can be broken on the half section and as to how it compares with ordinary prairie land.

If the Inspector's report shows that the area broken is equal to breaking eighty acres of ordinary prair ie land and you are satisfied to recommend the application you should do so.

The application for patent is returned herewith and as cultivation has been performed on the homestead it will be necessary for proof of ownership of that land to be endorsed on the above document.

Kindly instruct the Inspector to furnish this report at an early date.

Your obedient servant,

R. NELSON

Assistant Secretary.

Sir,

Re. N.W.¼ of 25-5-11, W. 4th M.
Ref.- 82520.

I beg to acknowledge the receipt of your letter of the 12th instant, enclosing the application for patent for the above described land, the pre-emption of the late George Morgan, together with a Homestead Inspector's report.

I am to point out that when the deceased homesteader made application for patent for his homestead, the North East ¼ of Section 25, Township 5, Range 11, West of the 4th Meridian, on the 30th of August, 1917, he claimed cultivat on on the homestead as follows:

1914. Broke 25 acres.
1915. Broke 15 acres, cropped 25 acres.
1916. Broke 15 acres, cropped 40 acres.
1917. Cropped 55 acres.

and in the application for patent for the pre-emption the cultivation is claimed as follows:

On Homestead,
1917. 10 acres broken, 35 acres cropped.
1918. 10 acres broken, 45 acres cropped.
1919. 10 acres broken, 55 acres cropped.
1920. 65 acres cropped.
1921. 65 acres cropped.

As you will observe this makes a total of 85 acres broken on the homestead.

According to the Inspector's report, there is an area of 65 acres fit for cultivation on the North West ¼ of Section 25, Township 5, Range 11, West of the 4th Meridian, and a total of thirty acres broken in 1917, 1918 and 1919.

I beg to refer you to the application for patent of Mr. O. J. Kane, Administrator of the Estate of the late George Morgan, who during his life time held pre-emption entry for the above described land, also to point out that when the deceased homesteader made application for patent for his homestead, the North East Quarter of this Section on the 30th of August 1917, he claimed cultivation on the homestead as follows:

1914, broke 25 acres
1915, broke 15 acres, cropped 25 acres
1916, broke 15 acres, cropped 40 acres

and in the application for patent for the pre-emption the cultivation is claimed as follows:

1919, 10 acres broken, 55 acres cropped
1920, 65 acres cropped
1921, 65 acres cropped

As you will note this makes a total of 85 acres broken on the homestead. According to your report there is an area of 65 acres fit for cultivation on the North West Quarter of Section 25, Township 5, Range 11, West of the 4th Meridian, and a total of 30 acres broken in 1917, 1918 and 1919.

I am to request you to report as to the area broken up to 1917 and also report as to the full area that can be broken on the Half Section and as to how it compares with ordinary prairie land. Kindly furnish this report at as early a date as possible.

No. of Report 977

Name of Homesteader Mrs. George Morgan

Land :— NW of Sec. 25 Tp. 5 Rg. 11 west 4 M.

General Remarks Continued:—

Agricultural purposes.

While in conversation with Mrs. Morgan he informed me that he had drilled the crop in on said land several times and that he drill had registered 65 and time. Also that it was sure that he had made a mistake in the duties of breaking in crop in that there was about 55 acres broken on the Hd. when application for patent was made and that it was in 1918 when the person time came to be making a total of 65 acres broke.

While in conversation with other men residing in that vicinity I was informed that there was at least 55 acres broken on the home stead when Mrs Morgan made application for patent for same.

After being in conversation with men in the district I am satisfied that the report as given above is correct.

The 65 acres of breaking done on this land would count as equal to the breaking of 20 acres of ordinary prairie land.

There is seven head of horses belonging

cancelled I would like to lease it for feature
because I would not like to see the horses
without any feed. I am willing to pay

In the spring of 1920 I seeded all the land that was cultivated on the homestead which was 65 acres. when I threshed the crop in the fall and paid for the seed and the threshing I had $7.50 left. I sent $3.75 to Mrs Morgan. leaving me the balance for all my labour. in the spring of 1921 I ploughed the land and seeded it to Wheat and Oats the cut-worms eat it all off I got nothing. in the fall of 1921 I seeded it all to Rye. the following July it got hailed out (no insurance) in the fall 1922 I seeded it to Rye again. in the summer 1923 the grasshoppers eat it slick and clean. that is my experience farming the land on the Morgan Estate. as well as my own. I am here trying to earn money to pay my debts I have my own land and Morgans rented to a Mr Dowler she is also looking after my horses & the horses belonging to the Morgan estate.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of his Majesty or of any of His Majesty's Allies— and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on; or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Joint Relief Advances

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated June 17, 1955, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND ACCEPTED.

BOARD ORDER

Mr. J. W. Judge, Chairman,
Seed Grain Relief & Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: NE¼ 17-1-17-W.4th M.
Estate of Arthur P. Murphy
Joint Relief Advances

The above named party obtained the following advances for which a lien was apparently not registered:

December 3, 1919	71.40
Interest to December 31 1954	113.75
	$ 185.15

An advance of Provincial Seed Grain was made to Newton Morgan in the amount of $95.20 and Lien No. 2719 C.W. was registered on July 22nd, 1920.

Solicitors acting for the estate of Arthur P. Murphy, when dealing with title to this parcel, noted the existence of the Seed Grain Lien and communicated with this Office. The matter of Joint Relief Account was brought to their attention and in view of the fact that there was no registered lien to secure same, I suggested that repayment of the principal amount of the advance, namely $71.40, would be considered satisfactory to close our account.

Payment of this amount has now been received and in

cont'd ....

view of the circumstances mentioned above, I would recommend that same be accepted as a satisfactory settlement. I would therefore, recommend an application of the sum of $71.40 being made to the account, it be adjusted so that it will stand paid in full.

The Provincial Seed Grain account of $95.20 together with accrued interest is subject to cancellation and discharge of Lien #2719 C.M.

S. Cherins,
CHIEF COLLECTOR.

Sir,

Replying to your letter of the 28th ultimo, enclosing South African Volunteer Bounty Land Certificate No. 6956, issued to Nigel Vavasour, together with an instrument under the Volunteer Bounty Act, 1908, purporting to appoint Frank Hart, of Harkness his substitute,

I am directed to return to you herewith the documents referred to, as the instrument appointing the substitute cannot be accepted or registered in this Department, the name of the substitute, Fredk. Hart having been scored out, and the name of Frank Hart inserted therein.

As it is contrary to the practice of the Department to register instruments appointing substitutes under the Volunteer Bounty Act, 1908, in which the name of the substitute has been erased or scored out and another name inserted, it will be necessary to obtain a new instrument, properly signed and executed by the Volunteer, free from such erasures or corrections.

MEMORANDUM:

Mr. W. J. Gliddon
Asst. Controller of Land Patents

Re - Sec. 10-25-5-4

Please see letter hereunder from the Agent relative to liens for $238.50 and $234.65, appearing against Title to the W. ½, and the following liens against the E. ½ - $238.50, $90.85, $40.00, $238.50, $38.20, $161.85 and $234.65.

In this connection I might state that the foregoing liens are evidently duplicate registrations of liens for similar amounts, with the exception of $32.20 and $161.85, which are apparently registrations made under liens and parts of $53.00, $56.20 and $90.85, all of the aforesaid liens being given by Wm. E. Dinwiddie on the security of the above mentioned land and covered by Certificate hereunder.

The matter of registration in duplicate of $234.65, I am unable to determine, and same is accordingly being taken up with the Registrar.

It would, therefore, appear to be in order to remove all of the said registrations with the exception of $234.65.

Please see communications here for of the 21st ult.mo, relative to liens for $234.65, $90.[illegible] and $40.00, registered against the land above described.

In this connection I might state that the liens for $90.[illegible] and $40.00 are evidently duplicate registrations of liens for similar amounts given by William S. Dinwiddie on the security of this land, and covered by discharge forwarded to the Registrar, Calgary, on the 20th ult.mo.

With regard to the lien for $234.65, I am unable to determine the liens or parts of liens making up this amount. There appears no doubt, however, that the indebtedness of William S. Dinwiddie is paid in full.

In the matter of Paul Dudra, of Edmonton, Alberta, and William Danczuk of Wostok, Alberta,
-and-
In the matter of the location of South African Scrip.

We, Paul Dudra, of the City of Edmonton, in the Province of Alberta, and William Danczuk, of Wostok, in the said Province of Alberta, Farmers, do severally declare :

1. That referring to our declaration of the 23rd of December, 1910, in this matter, and to the letter to K. W. McKenzie, of the Crown Lands Department at Edmonton, File #175425-175426, and more particularly to paragraph #3 of said declaration -

2. That the guide mentioned in said paragraph #3 was a party whom we met on our way to the location of said lands and not engaged by us for that purpose, nor did we pay him anything for his services; but when we asked him where the lands were located he directed us to the land that we built our buildings on, which was Section 9-60-15-W.4th, saying that it was Section 4-60-15-W-4th. We do not know whether he gave us this direction and statement by mistake or otherwise, but that was the reason that we described the land that we located on as Section 4-60-15-W-4th. It was purely a mistake on our part on the information received from the party who gave us the information as aforesaid, saying that the land lying to the North East of the corner stake was Section 4-60-15-W.4th, whereas it was 9-60-15-W.4th.

AND WE severally make this solemn declaration conscientiously believing it to be true and knowing that it is of

the same force and effect as if made under oath and by virtue of The Canada Evidence Act.

Re Paul Dudra and So. African Scrip.

We duly received your letter of April 7th in connection with this matter, and herewith we are handing to you a declaration made by Paul Dudra and William Danczuk in reference to the guide who showed them the property.

It appears that this was merely a party who showed them where the place was and told them what the number of the section was. He, so far as they know, was not interested in the matter.

Kindly give this matter immediate attention, as the parties are anxious to go on with their work this Spring.

Dear Sir:-

Re Paul Dudra and William Danczuk
and Section 4-60-15 West of 4th
and Section 9-60-15 West of 4th.

We are in receipt of your telegram of May 6 in connection with this matter, advising as follows: "Decided Dudra and Danczuk cannot be permitted transfer South African Scrip for section four to section nine sixty fifteen west fourth"

If you would kindly refer to ours of December 23, 1910 on page 2 of same, you will see that after setting out the facts, Messrs. Dudra and Danczuk do not wish to get authority to transfer the location from Sec. 4-60-15 W.4th to Sec. 9-60-15 W.4th, as they are aware that Sec. 9-60-15 W.4th had been located on; but under the circumstances what they ask is merely the permission of the Government to have the location on Sec. 4 cancelled and allow them to locate anywhere where land is open for location. We have been making inquiries in this case and find that Sec. 4 is not such land as any active, enterprising settlers would care to make a home on.

We also find that both Dudra and Danczuk are active, enterprising men and would make good settlers, and it would be a great pity if the energies of these men should be thrown away on inferior farms.

Dear Sir:-

Re Paul Dudra and William Danczuk
and Section 4-40-15 West of Fourth.
and Section 9-40-15 West of Fourth.

We duly received your favor of the 17th May, acknowledging receipt of ours of the 8th May in this matter. There was no doubt whatever that the Department were not responsible for the location on the land by our clients as they did, but it appears from the evidence that it was clearly a mistake on their part, in locating on Sec. 4 instead of Sec. 9. And it is also clear that Section 9 is a good location and Section 4 is a very inferior one. The North half is better than the South half of Section 4. The South half of Sec. 4, Mr. Dudra tells us, is practically unfit for anything in the nature of cultivation, and good only for pasturage lands adjacent to land that is worked.

Now, under the circumstances Mr. Danczuk, who location on the North half of Sec. 4, might possibly farm part of it into a reasonably fair farm, but Mr. Dudra says that if he is obliged to go on to the South half of Sec. 4 all his time and labor will, with that of his growing family, be expended on land that is not suitable at all for cultiv-

vation, and the question is simply this. If, owing to a mistake which is quite evident, as they erected buildings on Sec. 9, is it not possible for the Government, who are the only power that can do it, to give this man a fair opportunity to make a good home for himself rather than to spend all his life making a farm on which a mere living can be obtained?

Had it been otherwise than a mistake we would never have considered for a moment making application, but as it is, we would again ask if the circumstances in connection with the matter would not justify the Government in releasing them from the location made under the scrip by mistake and allowing them to locate on other available land?

Sir,

I beg to inform you that [illegible] Lanozuk and F. Pudra who located S.A.V.Scrip on the South half and North half of Section 4, Township 60, Range 14, West of the 4th Meridian on the 19th of November last, represent to the Department that they settled on section 9 instead of Section 4 on account of information received from the Land Guide. It is represented that they were not aware that they had made a mistake until after they had erected buildings on the North half and the South half of section 9.

It appears that homestead entry was granted to Mr. I Mariooczuk for the S.E. 9 on or about the 1st of December, 1910 and the S.E. 1/4 of 9 has been applied for by a minor, Mr. Nicolay Reiks and you have reserved this quarter for him until the 14th of May next.

Messrs. I.Mariooczuk et al. Trysa are being notified from this office not to go into occupation or make any improvements on the quarter sections standing in their respective names, and I am now to request that you will instruct the Homestead Inspector to visit section 9 and make a report as to whether Messrs. Sir:-

I beg to advise that the S.A.V.. should not have been located on the S½ of 3-34-16-W4th, Mer., George Clyde Knifong, filed at Custer for the N½ of 2, and this Office was notified by telegram which was not noted in the Township Register although confirmed. When Mr. Robert J. [illegible] located Lorig on the S½ of 2, and arrived on the land he found Evelyn Lizzie Knifong on the N½ who had erected a house.

Mr. Knifong claimed it was a mistake to have his scrip transferred to the S½ of 31-31-16-W4th, which he said would be available time, he also filed a Declaration to the effect that no one had resided, had no improvements on the land; and requested this office that in the event that Office granted his request he be allowed to acquire some timber limit in person.

I would be glad to have your instructions in this matter as soon as possible.

Milton Cloud Tait
Granted 1/12/1913

Cancellation proceedings were instituted on the 13th July, 1914.

The entrant filed a statement, dated 7th July, 1914, asking for an extension of time, in which he pointed out that he had performed no residence or improvements; that he had to assist his sister, who was a widow, also that he had arranged for 10 acres of breaking, which he had paid for.

In view of these statements the entries were protected to the 1st October last.

Mr. Tait failed to satisfy the Agent that he was in residence in accordance with the instructions issued.

The applicant for inspection is pressing for a settlement of the case, and wrote under date of the 18th February last, but was advised that in view of the general protection, the entries would be protected until the 1st of April last.

The Agent at Calgary now writes the Department that Mr. Tait has failed to satisfy him that he is in residence.

It also appears that there is a sum of $70.00 due by Mr. Tait for improvements which were on this land when he obtained entry.

From the evidence on file no residence duties would appear to have been performed.

MEMORANDUM:

Mr. Hume.

S.W., 34 - 25 - 14 - W. 4th M.
Pre-emption - S. J. Grandstaff,
Entry granted - 6th July, 1918.
Cancellation proceedings pending.

Mr. Grandstaff obtained patent for his appurtenant homestead and applied for patent for his pre-emption claiming that the required duties had been satisfactorily performed. He was issued with a Certificate of recommendation which has now expired and has not been returned to the Department.

On the 16th November last, Homestead Inspector Clookey reported that the entrant had left the country and is in Ohio. He has his homestead rented to Alex Carruthers of Favor, Alberta, but there was no one at home. 35 acres were under wheat and 2 acres under sweet clover. The quarter-section could all be ploughed, and the Inspector recommends that the entry be cancelled and the land made available for homesteading. It is all fenced with two wires and willow posts.

In view of this cancellation proceedings were instituted on the 14th December last, and the Agent now forwards an Abstract of Title showing that there are no registrations noted against this land.

In view of this I would recommend that the existing entry be cancelled, and the land made available for settlement purposes.

I have [illegible] homesteaded on the North East quarter [illegible] 22. Now I can't get fortune enough for my stock on my own place next summer when I get some breaking done and get my long land proved off. etc.

I can't buy any land up here at all as nobody wants to sell or else they have not got their patents.

Now there is a half section of land conveying me the S W ¼ of 22-65-22 and the ½ N W ¼ 15-65-22 on which I was thinking of taking a scrip on but I find it would mean putting up new buildings, right the other side of my place and also I don't think I can get 30 acres of arable land on the whole half section certainly nothing that would pay a fellow to break up. Now I want to know whether you can't either leave this land to me for fortune or else sell it me at a reasonable figure, the land is all rock bottom and will tell it is good pasture land and will

Dear Sir: Re NE 22-65-22-4th & C.N.R.

Referring to yours of the 10th inst. we are under the impression that you made an error in this matter. We are advised that you had agreed to accept a metes and bounds description when the same was accompanied by a linen tracing. If you will notice the transfer which we forwarded you will find not a plan but a description and bounds description, and there was attached to the same a linen tracing in duplicate. We return the transfer and the linen tracing. Kindly advise us if we were not correct in our instructions.

Gentlemen:- - re NE 32-65-22-4th & C.N.R.-

I am directed to acknowledge receipt of your letter of the 17th ult., and in reply I beg to say that no trace can be found here of the Department having agreed to accept a metes and bounds description in this case.

It is possible that such an agreement was reached in respect of some other parcel of land, but it was with the understanding that it was not to be a precedent for future cases.

I am further to add that the whole question of accepting transfers based on the plan of location is now receiving the consideration of the Department and when a decision is reached you will be further advised in the matter. In the meantime the case referred to above will be held pending the result of the decision.

Sir,

S.E.¼ of 10-27-16, W. 4th M.
Your reference - 70145.

In his application for soldier grant entry for the above described land, W. H. McCullough claims to hold the S.E.¼ of 10-27-16, W. 4th M. under homestead entry. According to the records here Letters Patent for the latter quarter-section were granted to Horace Preece on the 2nd June, 1916.

Mr. McCullough's homestead is the N.E.¼ of 10-27-16, W. 4th M., and I am to request you to report with as little delay as possible if an error has occurred in reporting the land held under homestead entry by this settler.

I might point out that if as stated in this man's application and in his statutory declaration on form No.36F he is the owner of the S.E.¼ of 10 in addition to holding under homestead entry the N.E.¼ of the same section, he would not appear to be eligible for soldier grant entry, but before taking any further action in connection with this matter the Department will await the receipt of your report relative thereto.

Sir,

Re William W. Thompson,

Your File 9135.

Mr. Thompson obtained a homestead entry for the North West Quarter of Section 4, Township 29, Range 17, West of the 4th Meridian, and a soldier grant entry for the South West Quarter of the same Section, under authority of Attestation Certificate No. 4769 (A) on the 22nd June, 1920.

It has been alleged that Mr. Thompson's entries are in default with respect to the performance of the settlement duties and the Department has been endeavouring to get into touch with him but letters sent to the various addresses on record here have been returned by the postal authorities "undelivered."

Would you kindly advise this Department of Mr. Thompson's latest address.

General Inspection of vacant
Lands in Area 3.
Calgary Agency.

Tp. 2, Rge. 17, W. 4th M.
Sec. 4. (Grazing)

Question - Disposition of land.

According to the Assistant Inspector's report, none of this land is fit for cultivation, and in his remarks the Inspector states the quarter is very rolling and stony and unfit for agricultural purposes. He states that the land is good pasture and should be sold or leased for grazing purposes, or if it was that one could take a half section, the half would make a good mixed proposition. It would therefore, appear that this land would be suitable for stock exclusively or mixed farming for someone living in the vicinity, and I would, therefore, suggest that the Agent be instructed to post this land for ordinary settlement, provided no one knows of no reason to the contrary, and instructed that he may advise any applicant for entry that he may prove up under the stock clause of the regulations should he so desire.

There is nothing on file to indicate any lien or charge against this land.

Gentlemen.

3329066

I beg to enter for me to go onto my homestead on the 18th of March & I am requesting you to grant me an extension of three months owing to lack of funds. My capital is all locked up in improvements, ten head of horses all young ones but four work horses & six cows & as I have eaten I could raise on without a very great hardship to my self & as I had a very short crop & illness in my house this winter I am in an exceedingly tight corner financially. I could get a contract to put in some crop this spring & so enable me to go to my homestead in June & do all my necessary duties. The district where my homestead is located (S. E. ¼ of Sec 5 Tp. 29. 29. 17. west of the 4th Meridian) is under bad law & cost would be necessary for me to fence for my stock.

Awaiting an early & satisfactory reply.

Sir,

Re N.W.¼-5-29-17-W.4th M.

I am to acknowledge the sworn statement which you executed on the 30th June last with reference to your compliance with the stock provisions of the Dominion Lands Act in connection with your pre-emption entry for the quarter-section above mentioned, and in reply may say a note has been made of the evidence submitted and the Agent of Dominion Lands at Calgary is being furnished with a copy of your statement for his information.

Be good enough to advise the Department by return mail concerning your intentions with regard to making application for patent.

In this connection I may add that where a settler who has furnished satisfactory proof of duties, is unable to complete payment of the instalments of principal and interest due under the terms of his entry, provision has been made whereby he may obtain on application to the local Agent a Certificate of Recommendation, which enables him to mortgage, assign or transfer his interest in the land prior to the issue of patent and in that manner discharge his indebtedness to the Department and so render possible the issue of patent. This matter should be given your careful consideration.

Your obedient servant,

Assistant Secretary.

Madam,

M. L. 5-9-17-4.4th M.

I beg to acknowledge the receipt of your letter of the 21st ultimo enquiring in regard to securing the above land as a stock homestead. In reply I am to advise you that this land is at present held under entry, but the entry is the subject of cancellation proceedings. In the event of cancellation, the question of making the land available for settlement will be decided, and in case it is decided to put the land, the Agent of Dominion Lands at Calgary is being requested to take note of your name and address, so that you may be notified of the date of posting.

Encl.

I may point out, however, that it would be necessary for you to establish your eligibility to make entry for a homestead before you could apply for entry. I am enclosing, herewith a copy of the Dominion Lands hand-book and would direct your attention to the section headed "Who may make homestead entry" on page five of same. If you are a widow with minor children dependent on you for support, you would apparently be eligible to make entry, but you would have to establish this fact to the satisfaction of the Department.

Dear Sir

I am writing you in regards to the S. E ¼ 6 - 24 - 11 west of the fourth Meridian, entered upon for my pre-emption. This land was filed on for a stock homestead sometime in July 1924, by a Miss Shepler who left for the U. S. A. shortly after making entry. Where she owns land and is making her home, she has no intentions of coming back to Alberta. And there has been nothing done in the way of fencing, in fact none of the regulations have been complied with and there isn't any chance that she will do any thing with this land, as she has no stock here of her own. It is my opinion this land should be thrown open for a grazing lease at once as you are well aware this quarter is strictly a grazing proposition and you know I refused a grazing lease on this land in order to get this pre-emption for a

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been thereon engaged on active service in a military force:—

(1) of Canada—and has served out of Canada, or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, or, a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry arising under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Sir;-

With reference to the Homestead Inspector's report furnished under cover of letter of the 24th ultimo, your files 75022-74988, I beg to state that it has been decided to permit Mr. Joseph Dixon to substitute stock in lieu of cultivation in connection with his entries for the East half of Section 5, Township 29, Range 17, West of the 4th Meridian.

From a certificate on file in this Department it would appear that Mr. Dixon enlisted for active service with the 187th Overseas Battalion, C.E.F., on the 19th of November, 1916, and it is observed that the Inspector reports him to be in residence on this land.

Mr. Dixon may, of course, have received his discharge, but it is considered advisable to have the Homestead Inspector report further on this point.

If Mr. Dixon is not on active service you should communicate with him notifying him of the requirements to be complied with under the stock provisions of the regulations and also furnish him with form [illegible] enclosed herewith to be completed and returned to this Department showing the stock of which he is the owner and which he has had on these lands.

Re E.½ 5-19-17-W.4th Mer.

Granted, 20th September, 1915.

Mr. Dixon has applied to substitute stock in lieu of cultivation.

It appears from a Certificate on file that he enlisted for active service as a member of "A" Company, 167th.O.B.C.E.F. Certificate being dated the 19th of November, 1916.

A Homestead Inspector has reported as follows:

IN RESIDENCE: NOT.

Nature of soil stony, subsoil gravelly, Area fit for cultivation none.

GENERAL REMARKS:

"All of this half-section is
"stony and gravelly, it is
"rolling, there are some
"sloughs. This land is unfit

As the Inspector shows the entrant to be in residence, it is thought that since enlisting he may have received his discharge.

I would recommend that the entrant be granted the privilege of substituting stock in lieu of cultivation in this case.

Sir,-

I beg to acknowledge the receipt of form 47 filled in by you with reference to the stock owned and maintained by you on the S½ 5-29-17-4, 4th M.

It is noted from this declaration, a copy of which is being sent to the Agent of Dominion Lands at Calgary for his information, that you have apparently been on active service. Your military service will therefore be verified by the Department of Militia and should such verification show that you were on active service for a sufficient period of time to be equal to the residence called for under the regulations it will only be necessary for you to show ownership of sixteen head of stock for one season and you will then be in a position to make application for patent, as the time spent by you on active service will count towards your residence duties.

Your obedient servant,

Joseph Dixon, Esq.,

Sir,

I beg to inform you that I am now in receipt of confirmation of your military service and it would appear therefrom that you have completed the residence duties in connection with your homestead and pre-emption entries for the S.½ 5-29-17-W. 4th Meridian and it will, therefore, only be necessary for you to have sixteen head of stock and accommodation for their shelter and have your land entirely fenced before applying for patent. If you are in a position to do so there would appear to be no reason why you should not appear before the Agent of Dominion Lands at Calgary or before a sub-Agent attached to his district with your witnesses for this purpose.

I beg to acknowledge the receipt of your communication of the 10th instant enclosing the application for patent of Mr. Joseph Dixon, for the above described quarter-section, on which he has been allowed the privilege of substituting stock in lieu of cultivation.

In reply I would point out that Homestead Inspector Woodlock in his report of the 21st of April last states that the entrant has complied with the stock clause of the Dominion Lands Act, having kept stock on the land for summer grazing and winter feeding on his father's land, the North East quarter of Section 1, Township 29, Range 17, West of the 4th Meridian, but he does not state the number of stock kept in each year.

Under the circumstances I am to request you to call upon the inspector and furnish a supplementary report setting forth the number of stock owned and kept by the entrant in each year on the homestead.

Kindly issue the necessary instructions and have this report furnished with as little delay as possible.

The above described half-section stands as homestead and pre-emption entries in the name of Joseph Dixon. The entrant made application for patent for both quarter-sections on the 10th February, 1920, showing sufficient duties completed for the homestead, and was advised that before patent could issue for the homestead it would be necessary for him to pay in full his indebtedness to the Soldier Settlement Board. With respect to his pre-emption it will be necessary for him in addition to paying in full for the land in accordance with the terms of his entry, to complete a further term of six months residence on either the homestead or pre-emption and execute a supplementary statement setting forth the facts.

A report has been received from one of our Inspectors in connection with the pre-emption entry, dated the 10th ultimo, which reads as follows:

> "This man cannot pay anything this year and wants this entry cancelled as he says it is too rough and not worth the money, and I would recommend that it be cancelled and made available for leasing only, as it is very rough and cannot be farmed.
>
> "The fencing on this land which belongs to this quarter is 3 wires on east, and north, and 2 wires on west, worth $100."

In view of the evidence furnished by the Inspector would you kindly advise me as to what action, if any, your Board takes in this case.

Your obedient servant,

Secretary.

Secretary,

Your file No. 8-504.

In reply to your communication of the 3rd instant, I beg to refer you to Departmental communication of the 11th December last to the Secretary of the Soldier Settlement Board intimating that before any further action can be taken in connection with Mr. Dixon's application for patent for his pre-emption, the North East quarter of Section 5, it will be necessary for him to pay for the land in full in accordance with the terms of his entry and complete a further term of six months residence on either his homestead or pre-emption since the date on which he made application for patent, namely the 10th February, 1920, and execute a supplementary statement showing that this has been done.

No further information has been received from him since the above date stating whether or not he has complied with these requirements and no application for patent for his soldier grant, the South West quarter of Section 25, would appear to have been received.

By a copy of this letter the Agent of Dominion Lands at Calgary is being requested to take the matter up with Mr. Dixon and endeavour to ascertain what his intentions are with regard to completing the evidence required in connection with his pre-emption entry and also making application for patent for his soldier grant, provided he has completed sufficient duties.

Sir:

Re: 35-27-17 W

A charge has been created under the Soldier Settlement Act against the land mentioned above, which land is now vested in the Province under the Natural Resources Act, and it is proposed to issue letters patent therefor.

As the records of this Department have now been transferred to the Province, it is necessary to obtain information from your office as to the said land, particularly with reference to roads, railway right-of-way and reserved parcels, if any.

In case your records disclose any particulars under these heads, would you be good enough to fill out the enclosed memorandum, which has been prepared with the object of lessening clerical work in your office. Only those matters have been included in the memorandum which are essential to enable this office to proceed with the issue of patent.

Where there is nothing to report, it will be sufficient to return the memorandum with the word 'Nil' entered thereon.

Your obedient servant,

E. Grue Turner

Secretary.

5th April, 1917.

Sir:-

With reference to the Homestead Inspector's report furnished under cover of letter of the 24th ultimo, your files 75022-94088, I beg to state that it has been decided to permit Mr. Joseph Dixon to substitute stock in lieu of cultivation in connection with his entries for the East half of Section 5, Township 29, Range 17, West of the 4th Meridian.

From a certificate on file in this Department it would appear that Mr. Dixon enlisted for active service with the 187th Overseas Battalion, C.E.F., on the 19th of November, 1916, and it is observed that the Inspector reports him to be in residence on this land.

Mr. Dixon may, of course, have received his discharge, but it is considered advisable to have the Homestead Inspector report further on this point.

If Mr. Dixon is not on active service you should communicate with him notifying him of the requirements to be complied with under the stock provisions of the regulations and also furnish him with form [illegible] to be completed and returned to this Department showing the stock of which he is the owner and which he has had on these lands.

I beg to inform you that I am now in receipt of confirmation of your military service and it would appear therefrom that you have completed the residence duties in connection with your homestead and pre-emption entries for the W.½ 5-20-17-W. 4th Meridian and it will, therefore, only be necessary for you to have sixteen head of stock and accommodation for their shelter and have your land entirely fenced before applying for patent. Sir,

S.E. ¼ 5-29-17 W. 4th M. - Homestead.
N.E. ¼ 5-29-17 W. 4th M. - Pre-emption.
Your Reference - S. S. B. 59418.

The above described half-section stands as homestead and pre-emption entries in the name of Joseph Dixon. The entrant made application for patent for both quarter-sections on the 10th February, 1920, showing sufficient duties completed for the homestead, and was advised that before patent could issue for the homestead it would be necessary for him to pay in full his indebtedness to the Soldier Settlement Board. With respect to his pre-emption it will be necessary for him in addition to paying in full for the land in accordance with the terms of his entry, to complete a further term of six months residence on either the homestead or pre-emption and execute a supplementary statement setting forth the facts.

A report has been received from one of our Inspectors in connection with the pre-emption entry, dated the 10th ultimo, which reads as follows:

> "This man cannot pay anything this year and wants this entry cancelled as he says it is too rough and not worth the money, and I would recommend that it be cancelled and made available for leasing only, as it is very rough and cannot be farmed.
>
> "The fencing on this land which belongs to this quarter is 3 wires on east, and north, and 2 wires on west, worth $100."

In view of the evidence furnished by the Inspector would you kindly advise me as to what action, if any, your Board takes in this case.

In reply to your communication of the 3rd instant, I beg to refer you to Departmental communication of the 11th December last to the Secretary of the Soldier Settlement Board intimating that before any further action can be taken in connection with Mr. Dixon's application for patent for his pre-emption, the North East quarter of Section 5, it will be necessary for him to pay for the land in full in accordance with the terms of his entry and complete a further term of six months residence on either his homestead or pre-emption since the date on which he made application for patent, namely the 10th February, 1920, and execute a supplementary statement showing that this has been done.

No further information has been received from him since the above date stating whether or not he has complied with these requirements and no application for patent for his soldier grant, the South West quarter of Section 25, would appear to have been received.

By a copy of this letter the Agent of Dominion Lands at Calgary is being requested to take the matter up with Mr. Dixon and endeavour to ascertain what his intentions are with regard to completing the evidence required in connection with his pre-emption entry and also making application for patent for his soldier grant, provided he has completed sufficient duties.

I beg to inform you that Mr. Joseph Dixon who holds soldier grant and pre-emption entries for the above described lands has executed Declarations of Settlement for both quarter-sections in order that he may convert his pre-emption entry into a soldier grant entry, but as our records show that he has secured a loan from your Board on the security of these lands, the question is submitted to you as to whether his abandonment for his soldier grant entry may be accepted.

For your information I am enclosing a copy of a letter from your District Superintendent at Calgary.

If you have no objection to his abandonment being accepted and his soldier grant entry cancelled, I would ask you to kindly forward here your usual withdrawal charge against the soldier grant.

I might say that the entry secured soldier grant entry on qualification Certificate No. 1451. Under the circumstances in the event of his being allowed to convert his pre-emption entry, it will be necessary for him to secure an Alienation Certificate.

For your information I might state that the purchase price of the pre-emption has been paid in full.

Sir,

S.E. 26—28—18. W. 4th M.—S.C.
N.E. 5—29—17. W. 4th M.—Pre.

I beg to acknowledge receipt of your declaration of abandonment for your soldier grant and preemption entries above described in order that you may convert your preemption into a soldier grant.

In reply I am to inform you that your declaration of abandonment for your soldier grant is accepted and the entry is hereby cancelled, and if you will forward to the Agent of Dominion Lands at Calgary an Attestation Certificate from the Soldier Settlement Board, he will carry out the conversion of your preemption entry into a soldier grant. When this action has been reported here, the amount paid on account of the purchase price of the preemption will then be refunded to the Soldier Settlement Board and credited to your account.

If you are not in possession of an Attestation Certificate, you should communicate with the Superintendent of the Soldier Settlement Board with a view to securing such Certificate. Your Qualification Certificate from the Soldier Settlement Board, No. 1451, is on file here, but Qualification Certificates are no longer sufficient with which to secure soldier grant entry.

According to your statement the improvements on the S.E. ¼ of 26—28—18. W. 4th M. consist of a barn, on which you place a value of $40.(0); one mile of fencing. $100.(0); eighty acres of breaking. $800.(0).

I am to acknowledge your letter of the 14th instant enclosing a declaration of the 12th idem executed by Joseph Dixon in support of his application for a transfer of the entry for his soldier grant, above mentioned, to the S.W.¼ of Section 25, Township 28, Range 18, West 4th Meridian, together with a communication from the District Superintendent at Calgary of the Soldier Settlement Board formally consenting to the transfer as provided under the regulations in that behalf.

Provided the land applied for is vacant and available there is no objection to the proposed transaction, and you may take the necessary action accordingly, provided nothing has transpired since you referred the matter to the Department to render such action inadvisable.

It is assumed that Mr. Dixon is personally responsible for the improvements on the land to be taken in exchange for the quarter-section he now holds as a soldier grant and upon satisfying yourself in regard to this matter the transfer may be carried out without regard to payment for improvements, subject, however, to transfer of the loan from the Soldier Settlement Board.

Sir:-

Re H. [illegible]--27--32--14-- .--4th--ser.

Replying to your letter of the 7th instant, concerning your homestead and pre-emption entries for this land, I beg to say that there is no provision in the present Regulations for the substitution of stock for cultivation duties, and if you are unable, by reason of the rough character of your land, to break the required eighty acres on the half section, your letter does not probably mean to [illegible] your entries and take up land elsewhere.

Provided that the settlement duties have been satisfactorily completed a settler may make application for patent for his homestead on the expiration of three years from date of entry.

In the case of the pre-emption he must wait until six years have elapsed from date of entry.

Having obtained a patent for his homestead the settler is at liberty to dispose of the quarter section without prejudicing his right to his pre-emption in any way. In this case

MEMORANDUM:-

Mr. Fraser submits the case of Mrs. Lucy E. Cobb, who made homestead and pre-emption entries as the head of a family.

It is represented that on the day she did so, her daughter, through whom she qualified, ran away and got married.

The question is whether she is disqualified thereby.

Unless you consider that there is some trick which is not impossible, as she comes from the other side of the line, I do not see that we could now cancel her entries.

Respectfully submitted,

Pre-emption, the Fam.
No cancellation proceedings pending.

This may make application for patent on the 17th of July, 1914, having the necessary residence and cultivation duties completed.

Certificate of recommendation, which expired on the 17th of October, 1913, is on file.

The homesteader in returning the certificate of recommendation in October, last, requested an extension of time to complete payments. He was advised that when the Inspector's report came to hand the request would receive consideration.

A report has been received from Senior Appraiser Clocker, dated the 7th ultimo, in which he states that the homesteader died on the 7th of February, 1914, and that there are no improvements on this quarter. There are eighty acres broken on the homestead and will be cropped this year by James Ryan but I understand that the Municipality has the title to the homestead. Paul recommend that this be cancelled and made available for homestead entry.

Pre-emption - John Ryan (deceased).
Entry granted 17th September, 1911.
Cancellation proceedings outstanding.

This entrant made an application for patent and a Certificate of recommendation was issued. This document has expired and is on file in the Department.

The entrant, when returning the Certificate of recommendation, asked for an extension of time to complete the payment, but according to evidence since received he died on the 7th February, 1924.

A Homestead Inspector reported that there were no improvements on the pre-emption but 80 acres were broken on the homestead and would be cropped during the past season by Mr. James Ryan. He stated that the municipality has the title to the homestead.

Mr. James Ryan was communicated with and requested to state what his intentions were with regard to furnishing Letters of Administration of the estate and paying for the land. Nothing was heard from him and cancellation proceedings were instituted on the 25th October last. A further report has now been received from the Inspector, stating that there are no improvements on this quarter-section and that the land should be made available for grazing as it is too dry for farming. It is of no value to the estate. It might be noted that, although he reports it suitable for grazing purposes, he states that 160 acres are fit for cultivation, but this may be due to the fact that it is in the dry belt.

In view of the fact that no defence has as yet been received to the cancellation proceedings, I would recommend that the agent be instructed to carry out cancellation on the 1st April next, provided he does not in the meantime receive a defence from anyone interested in the estate. The land might then be made available for grazing purposes in accordance with the Inspector's recommendation.

MEMORANDUM.

Mr. Hume:

S.W.¼ 21-24-19-W.4th M.
Area "B".

This was formerly the pre-emption entry of John Byrn (deceased) which entry was cancelled on the 4th April, 1923, and on instructions from this office the land was posted on the 11th idem as being available for applications for a grazing lease.

In connection with this land Inspector Fleming in report of the 15th February, 1924, stated 120 acres fit for cultivation. In a report of the 7th May, 1924, Inspector Clorkey stated - 120 acres fit for cultivation. I recommend entry be cancelled and land made available for homestead entry. On the 15th November, 1924, Inspector Clorkey again reported - 120 acres fit for cultivation. Recommend it be cancelled and made available for grazing; too dry for farming.

The question as to the disposition of the land was submitted on the 9th January, 1925, and instructions were given to post for grazing purposes.

According to the Timber and Grazing Lands Branch the land is reserved in connection with a grazing application.

Mr. C. F. Peel now protests against a grazing lease being granted. He states that an Inspector informed him about six or eight weeks ago that the land would be posted for ordinary settlement. He desires that it be made available for ordinary settlement. In support of his claim he furnishes a letter from the Acting Assistant Agent at Calgary confirming him that his application for homestead entry could be considered as the land was reserved pending the disposal of an application for a grazing lease. The Agent never furnished this office with a copy of this communication to Mr. Peele and the Department was not aware that he was desirous of filing on this land.

Sir,

I beg to acknowledge the receipt of your communication of the 15th instant, protesting against granting a grazing lease on the above described quarter section, which letter was accompanied by a communication from the Acting Assistant Agent of Dominion at Calgary, dated the 21st January last, advising you that an application for homestead entry could not be accepted in view of the fact that this land was reserved pending disposal of an application for grazing.

In view of your representations and as different Inspectors report that this land is suitable for agricultural purposes, I am instructing the Agent of Dominion Lands at Calgary under even date, provided a lease has not already been granted, to cancel the said application and, provided he is aware of no reason to the contrary, make the land available for ordinary settlement in the usual way by posting with advice to you and all other enquirers as to the date on which the land will be available for settlement. Calgary, August 18th, 1916.

The Secretary, Department of the Interior, Ottawa.

Sir:

I would refer you to your letter of the 29th ultimo, File No. 62489 DLG, regarding the application of Mr. Clarence C. Harrington to lease for grazing purposes the E½ of Section 15, Township 25, Range 15, West of the 4th Meridian, and in connection therewith I would refer you to this office letter of the 10th inst. addressed to Mr. Harrington, from which you will observe that I received instructions from the Secretary, Department of the Interior, under file No. 21? 497, to cancel the applications for grazing lease of the land, which action was accordingly taken and the rights advertised for other disposition, again becoming available for settlement on the 17th of June last. At the present time, so far as the records of this office are concerned, no reservation for grazing purposes exists against the land.

According to the interpretation of the Regulations of this office the instructions received from the Secretary above referred to would not appear to be strictly in accordance with the procedure laid down by the Department, as it is the understanding here that when an application for grazing lease is received that same reserves the land from other disposition pending a decision on the application, but it is thought possible that this interpretation might not have been quite correct in this particular instance and the instructions were carried out, a copy of this office letter to Mr. Harrington being forwarded you.

Pending further advice from your office or from the office of the Secretary, no action will be taken to call for an Inspector's report as instructed in your letter, while I might state at the present time, so far as the records here are concerned, the land would appear to be available for homesteading by the first eligible applicant applying therefor.

I beg to acknowledge receipt of your communication of the 16th ultimo in regard to the cancellation proceedings instituted against the land above described since the 10th July 1913.

In view of the fact that the N.E.¼ of 27-25-14 W. 4th Meridian was patented in 1917, it would appear that the cancellation proceedings in question were overlooked at the time patent was being considered for the homestead. Dear Sir —

Notice of the institution of Cancellation proceedings re the N W ¼ Sec 27 Town 25 Range 4 west of 5 Mer & filed on in the name of Edward P. Foster who died four years ago leaving his homestead & preemption to his sons in the United States one of whom was in the U.S army in France the other on the Mexican Border. The one in France was gassed very bad and has not been able to complete the preemption requirements on that account. The other is minding his Studies & has had no source of revenue.
The duties on the homestead have been fulfilled I am writing them today to see if they will be able to carry it through & will notify you as soon as I hear from them.
The preemption is mostly low slough & more valuable for pasture than cultivation this dry belt. Could it be proven up on Slough in place of breaking the land

I am sure the boys will do the utmost in their power to fulfill their duties on this land & would therefore ask that you give them another year to fulfill requirements. - 4516038

MEMORANDUM.

Mr. Hume,

N.W.¼ 1--25--14 W. 4th Mer.
Pre-emption - John J. Mrasek.

With the exception of payments a satisfactory application for patent was made in this case. Please see form #58B. hereunder marked.

A Certificate of Recommendation issued which expired on the 17th March, 1921. He applied for an extension of time but as he failed to complete the required documents no action was taken.

On the 1st August last, the payments outstanding were as follows: Principal $480.00, Interest to the 1st November, 1923, $189.85, making in all a total of $669.85.

Inspector Cloakey now states under date of the 16th November last as follows:

> "This man lives on this quarter and has a "small shack 14 x 16, box car roof, worth "$30; 20 acres broken and all fenced with "three wires and willow and cedar posts. "Soil is clay loam, clay subsoil. This "man cannot pay at the present time; he is "an old man and things look pretty hard "around the place, and I would recommend "that he be granted an extension."

In view of the Inspector's remarks and as the expired Certificate of Recommendation is on file, please state if this man may be allowed until the 1st November next within which to complete payments.

DOMINION LANDS OFFICE

POSTING OF LAND, OTHER THAN SOLDIER SETTLEMENT LAND

Calgary, April 15, 1926.

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 26th April 1926 the N.W. ¼ of Section 1 Township 25 Range 14 West of the 4th Meridian will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:

(1) On the day above mentioned, that is on the morning of the 26th April, 1926

By a settler as defined by the Soldier Settlement Act, entitled to make entry, who lives on adjoining quarter section and has homestead or Soldier Grant there, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof or was a squatter before survey on such quarter section.

(2) On the following day, that is on the morning of the 27th April, 1926

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.

For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation (Certificate, or a telegram or special letter from the Soldier Settlement Board stating entitlement, see other side).

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 28th Apr. 1926

By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands at whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to APPLY PERSONALLY AT THE OFFICE OF THE LOCAL AGENT (NOT SUB-AGENT).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $

Payment for Improvements

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the *full amount of his* valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $2,500.00 the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land

The following indebtedness is charged against the land: $ If the amount collected for improvements is not sufficient to make up this amount the applicant for entry is required to pay or assume the full amount of indebtedness (for particulars enquire at office of Agent).

advising Mr. Robinson of the date upon which the
same will become available

Sir,

S.W., 3--26--13, W. 4th M.

I beg to inform you that your preemption entry for the above described land is hereby cancelled in accordance with your declaration of abandonment of the 4th instant, and in view of a report on file here from an official of this Department to the effect that there are one hundred acres fit for cultivation, the Agent of Dominion Lands at Calgary is being instructed by copy of this letter to post the land for settlement and to advise you of the date upon which the same will become available.

I might state that this action will not prevent you from applying for a grazing lease provided there are no applicants for settlement who desire to homestead the land, but no assurance is to be taken from this letter that you will be granted a lease as you will have to take your chances with the general public.

According to your statement the improvements consist of fencing on three sides of the quarter-section, on which you place a total value of $140.00.
